**Description**

This session is open to the 2018 TRELIS Fellows and Leaders. If you were a participant in the 2018 TRELIS workshop, we invite you to submit an abstract about your research. This special session can be a unique opportunity for TRELIS Fellows and Leaders to learn about each other's research projects.

**Important Information:**

- Submission deadline is July 1<sup>st</sup>, 2018.
- Submissions through the NARSC submission system. This only requires an abstract (2000-5000 characters and spaces). Once submitted a paper, please send me an e-mail indicating your submission unique ID.
